FRONT-END DEVELOPER

## Phone

+90 533 888 6499

## Email

Mr.mustafa.egeh@gmail.com

## Address

Famagusta, North Cyprus

## About Me

Proactive Frontend Developer specializing in React and modern JavaScript, with a proven track record of building responsive, high-performance web applications. Experienced in remote, cross-functional teams, collaborating with UI/UX designers and backend engineers to deliver scalable and user-friendly solutions. Successfully improved user engagement by 25% through performance optimizations like lazy loading and code splitting.

## EXPERTISE

- JavaScript (ES6+)
- React & Next.js
- Tailwind CSS
- RESPONSIVE DESIGN
- REST API Integration
- Performance Optimization
- Agile Development

## languages

Somali  
English  
Arabic  
Turkish

## Experience

### Frontend Developer

**Scheduled Start: June 2025**

#### Knitted for You (Lund, Sweden)

- Collaborating remotely with UI/UX designers and backend engineers to develop a scalable e-commerce platform
- Building reusable, responsive React components with Tailwind CSS, ensuring consistent user experience
- Integrating RESTful APIs for dynamic product data and user interactions with backend systems
- Optimizing SEO and application loading performance, contributing to projected 25% improvement in engagement

### Help Desk Assistant

**Jun 2017 – Dec 2017**

#### Abas Saber Building Materials (Al Khobar, Saudi Arabia)

- Diagnosed and resolved hardware and software issues, minimizing downtime and maintaining operational continuity.
- Automated manual reporting processes, reducing time spent on repetitive tasks by 30% and enabling the team to focus on higher-value work.

## TECHNICAL SKILLS

- **Languages:** JavaScript (ES6+), TypeScript (Basic), HTML5, CSS3
- **Frameworks & Libraries:** React, Next.js, Tailwind CSS, Bootstrap
- **Tools & Platforms:** Git, GitHub, NPM, VS Code, Docker (Basic), Vercel
- **Workflow & Practices:** Agile Methodology, Responsive Design, REST API Integration, Performance Optimization, Code Reviews, SEO

## Project Portfolio

### • The Electronic Store (E-commerce Web Application):

Developed a React-based e-commerce app with real-time product and cart management via REST APIs. Engineered a mobile-first, responsive UI with Tailwind CSS, optimizing performance via lazy loading and code splitting to reduce load times.

Tech: React, Tailwind CSS, JavaScript, REST API

Live Demo: <https://e-comer-webside.vercel.app>

### • Developer Portfolio Website:

Built a responsive React portfolio with Tailwind CSS, interactive animations, and SEO-optimized semantic HTML for fast load speeds and accessibility.

Tech: React, Tailwind CSS, JavaScript

Live Demo: <https://portfolio-web-vuj7.vercel.app>

## Education

**BSc in Management Information Systems (MIS)**

**2018 – 2025**

**Eastern Mediterranean University**

Coursework: Software Development, Database Management, System Analysis, IT Project Management
