Profile

I am Mustafa Egeh, a 25-year-old Junior Frontend Developer and a dedicated self-learner. I am skilled in JavaScript, React, HTML, CSS, Tailwind CSS, and Git commands. I have experience building responsive and user-friendly web applications. I have delivered projects that improved performance by optimizing assets and implementing lazy loading. Proficient in version control using Git and collaborating in agile teams with tools like GitHub and Trello. Eager to learn and grow by contributing to real-world projects and delivering high-quality code.

Work Experience

June 2017 - December 2017
Abas Saber building materials - Al Khobar, Saudi Arabia
Help Desk
Assistant in a Building materials company where I was responsible of paper work and making reports and also fixing, updating and maintaining programs and PCs for the company

june 2025 - present
Knitted for you - Rudeboksvägen 195, 22655 , I
Lund , Sweden
Frontend developer

Contributed to the development and enhancement of responsive web interfaces using React.js and Tailwind CSS. Collaborated with the team to implement reusable components, optimize user experience, and maintain clean, scalable code.
